

**April 10 2019**

## **Communiqué**

### **march 2011**

creation of the SAS (simplified joint-stock company) HBM Distribution - Commercial Register number: 530943141 - whose purpose is to fight against mosquitoes and includes 3 activities:

- distribution of the HBM Anti-Mosquitoes range in Garden Centers networks and DIY stores,
- e-commerce with the BtoC specialized sales and information portal under the brand MoustiqueSolutions,
- creation of BioBelt Anti-Mosquitoes, a patented protection system, associated with a contract service.

### **2011 / 2018**

the company quickly establishes itself on the French market in its 3 business segments, combining innovation, efficiency and safety for people and the environment; In order to support strong growth and international demand for its proprietary BioBelt Anti-Mosquitoes system, the company chooses by the end of 2017 to initiate talks with several market players interested in its distribution business.

### **january 2019**

Eléphant Vert / Or Brun Group takes over the distribution business of HBM and the HBM Anti-Mosquitoes brands, HBM Anti-Pests, hbmdistribution.com, as part of a "Partial" transfer of the company business assets, which is now focused on the production of new products and Anti-Mosquitoes solutions, e-commerce and service,...
